

To Potential LEOP TT&C Service Providers

**Subject: Request for Proposal (RFP) for KOMPSAT Series LEOP TT&C service**

Korea Aerospace Research Institute (KARI) is hereby issuing this Request for Proposal (RFP), as enclosed hereto, to look for qualified potential LEOP TT&C service provider for KOMPSAT Series.

After evaluation of the proposal submitted from the potential LEOP TT&C service providers in response to this RFP, KARI will officially make a contract with the best-qualified provider for KOMPSAT Series LEOP TT&C service.

KARI requests that the Proposal to this RFP should be submitted to the address as stated in Article 2.1.4 by the Bid Closing Date (August 4, 2010).

If you have any question about technical matters, you may contact Mr. Durk-Jong PARK by e-mail at [parkdj@kari.re.kr](mailto:parkdj@kari.re.kr) with C.C to Dr. Sang-Il AHN at [siahn@kari.re.kr](mailto:siahn@kari.re.kr).

Thanks in advance for your cooperation and your valuable Proposal will be highly appreciated.

Sincerely yours,

---

Hee-Seok Kwon  
Head of International Contract Department  
Korea Aerospace Research Institute
