

To Potential Bidders

**Subject: Request for Proposal (RFP) for Optional Piloted Small Aircraft and Modification**

Korea Aerospace Research Institute (KARI) is hereby issuing this Request for Proposal (RFP), as enclosed hereto, to look for qualified potential Contractor for Optional Piloted Small Aircraft and Modification.

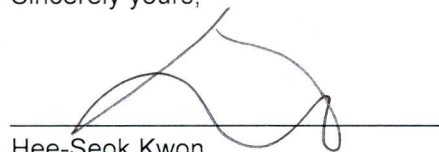

After evaluation of the proposal submitted from Bidders in response to this RFP, KARI will officially make a contract with the best-qualified bidder for Optional Piloted Small Aircraft and Modification.

KARI requests that the Proposal to this RFP should be submitted to the address as stated in Article 2.2.4 by the Bid Closing Date (August 11, 2010)

If you have any question about technical matters, you may contact Mr. Eung-Tai Kim (Email [eungkim@kari.re.kr](mailto:eungkim@kari.re.kr)).

Thanks in advance for your cooperation and your valuable Proposal will be highly appreciated.

Sincerely yours,

Hee-Seok Kwon  
Head of International Contract Department  
Korea Aerospace Research Institute

Encl.: Request for Proposal for Optional Piloted Small Aircraft and Modification.
