

Item Requirements

○ Article Name: Aluminium-Lithium Plates for Supporting Cryogenic Pressure Bottles

○ Type and Quantity

No.	Alloy	Temper	AMS Spec. (Form Designation)	size(mm) (T x W x L)	Q'ty
1	Al2195	T8	AMS4474	12.67 x 1,219 x 3,658	9

※ AMS : Aerospace Material Specification

○ Delivery Date : Within September 31, 2018

○ Requirement: Direct Contract with Al2195 Manufacturer required.

○ Delivery Item

1. Aluminium Plates described in the above table
2. Material Inspection Sheet (Chemical composition and strength evaluation)
